Set Dimensions (w x h x d)	: 522 x461 x 479 mm
Box Dimensions (w x h x d)	: 600 x 531 x 546 mm

Product highlights

RealFlat™ picture tube
The RealFlat™ picture tube offers high contrast for natural colors and improved daytime viewing. With the flat screen design, there is virtually no picture distortion, even when viewed from the sides. The flat screen technology reduces glare from ambient light, preventing eye fatigue.

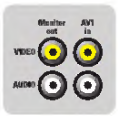
Active Control
Noise, sharpness, brightness, contrast and color are analyzed and picture settings are optimized to give you the best picture possible.

Signal Strength Indicator
Displays signal strength when channel is changed and feature continuously tracks and updates the incoming signal strength.

Smart Picture
A touch of the SMART PICTURE button on the remote control provides the option of selecting one of five preset positions (Rich, Natural, Soft, Personal, Multimedia) to enhance enjoyment of video games, sports and movies, also based upon the room lighting condition. By selecting the desired option, all important picture elements are instantly adjusted to optimize viewing pleasure.

Personal Zapping
Allows any combination of favorite teletext pages or TV programs to be stored in the colored Favorite Program/Text buttons. A total of 10 preferred programs/teletext pages of the same subject or user can be stored in each colored button.

Side AV + Headphone



Rear AV Input/Outputs
